About Us

Simply Speaking UK Ltd" has two clinic locations: weekdays in Hedge End and Saturdays in Chandler's Ford.

Michelle established the first independent SLT practice in the Southampton area in 2004. Both clinics benefit from free parking, close links with other health professionals and flexible appointment slots.

We boast a wealth of experience with specific interests in Speech & Language Impairments and Stammering.

Therapists have had additional training in a variety of therapeutic methods. We provide therapy for individual children and bespoke services to Sure Start Children's Centres and Hampshire Local Education Authority.
